Team Sprayers is a family owned business and has been manufacturing sprayers since 1981, solely in the UK, for a variety of markets, including; agriculture, groundcare and horticulture.

On a recent visit to Team Sprayers Mr. Danny Hubbard, Sales manager, commented that although they only produce 10 trailed sprayers every year they all go out shod on Alliance Rowcrop tyres supplied by Stocks Ag Wheel manufacturers (another loyal user and supplier of Alliance products). He commented that they would only fit another product if specifically requested by the customer but this just does not happen and our A350 product is their choice and readily accepted by their customers. They use 270/94R44, 300/90R46 and 13.6R38.
