

SUCCESS STORY

Delighted Alliance 380 Customer from UK!

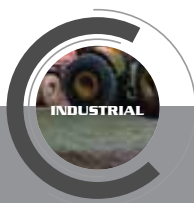

Customer : Kookaburra
Location : Reading, Berkshire, UK
Machine used : MAN TGM 13.290(Spreader)
Application : Manure Spreading
Tires in use : Alliance 380 750/45R22.5

Kookaburra Contracting is a Fertilizer and lime spreading contractor based near Reading ,UK .They have just taken delivery of a new Gustrower spreader. This spreader is different from the normal as rather than trailed behind a tractor it is mounted to an off road 4x4 truck from German manufacturer MAN.

Mr. Dave Temple took delivery of the vehicle in its normal road going state and then converted the vehicle for field use by replacing the rear tires with Alliance 380 Multi Purpose Tires which are specially designed for both On road and Off road applications. He is delighted with the performance of these tires. He feels that the tires are more robust than most of the competitor brands and when front tires need replacement he will be considering A396 as he can see that the unique tread pattern offers the best qualities of a road going pattern and an open centre pattern for the field. Mr. Dave will enquire about spec'ing the new MAN, he will be ordering next year on A396 direct from Germany.

MAN TGM 13.290 machine fitted on rear with Alliance 380 750/45R22.5

ATG

Alliance Tire Group specializes in the development, manufacturing, and marketing of Agriculture, Forestry, Construction, Industrial, Earth Moving and OEM applications under Alliance, Galaxy and Primex Brands.

Backed by nearly 60 years of experience, Alliance Tire Group serves customers in 120 countries and offers a full spectrum of products, from basic entry-level tires to a broad range of superior quality value-added products.
