# TIRE TECHNOLOGY IN MOTION

[www.alliance-tire-group.com](http://www.alliance-tire-group.com)

## Be the first to explore the new Alliance's tire models

Alliance Tire Group is pleased to invite you to visit its stand at the Agritechnica 2009 show, 10-14 November at the Exhibition Grounds, Hanover.

The group will exhibit its range of advanced agriculture tires and will expose new products during the Agritechnica show - the world's largest exhibition for agricultural machinery and equipment.
