

Jansen Heeten

JANSEN HEETEN BV is a medium sized company, located in the region of Salland, The Netherlands. The company carries different types of agricultural and earthmoving works in the field as a contractor. The company also leases machines for civil engineering and agriculture projects. With more than 25 employees, Jansen Heeten's fleet includes 28 machines.

Currently, two John Deere 7720 tractors are equipped with Alliance Agri-Star tires. Mr. Martin Jansen, co-manager of Jansen Heeten said: "The Alliance Agro-star radial tires we are using are as good as the original Michelin XM28 tires we bought the John Deere 7720 machine with. They provide excellent performance and outstanding traction and comfort over the road"

Mr. Martin Jansen next to one of the John Deere 7720 tractors, equipped with Alliance Agri-Star A-365 tire

Agri-star 710/70R42 – 173 A8 – Performance:
The 42" Agri Star tires are currently mounted on this John Deere 7720, performed 115 hours + 420

hours on the Fendt 930. Both John Deere and Fendt tractors were used under demanding operational conditions, being 70% over the road.

The Agri Star 710/70R 42 - are inflated at 2.1 bar and even after performing 535 hours were found in excellent working conditions.

Mr. Jansen confirmed being satisfied with their overall performance taking into account the hours performed under very heavy working conditions.

JANSEN HEETEN
